NEW BEIRUT FAIR

Earlier this year, it was revealed that the first edition of Beirut Design Fair would run 20–24 September, in conjunction with Beirut Art Fair. With both held at the Beirut International Exhibition & Leisure Centre (BIEL), the fair aims to bring together key designers, brands, professionals and distributors in the vibrant Beirut design and culture scene to forge connections with sponsors, investors and collectors. Promising to put Beirut on the global design map, the new design fair has been established by Guillaume Taslé d'Héliand, with Hala Moubarak appointed as Head of Exhibitors Relations and Bénédicte Colpin, of Lightboard in Paris, contributing as a special advisor.
