Beirut Design Fair

Event Date: 19th–22nd September, 2019

April 12, 2019

The founders of Beirut Design Fair have a genuine belief that Lebanon’s creative talent has global appeal and with the right collective strategy, the Made in Lebanon label can become a globally recognised symbol of quality. Last year in its 2nd edition, BDF welcomed 19,800 visitors (up by 20% compared to 2017) and brought together 58 exhibitors (28% more than in 2017) from the region and for the first first time, from Europe, too.
